- Continue to study, observe and analyze thirteen charter schools in Manatee County to determine student success and fiscal accountability of tax payers' money.
- Stay current on local issues coming before the School Board of Manatee County that are aligned with the Florida and Manatee LWV's key issues and when appropriate, take action to influence outcome.
- Participate in Florida's LWV's Education Committee's coordinated activities and convene an event to coordinate with the Florida League's Celebration of Public Education.
- Reach out to local legislators when appropriate to advance Florida LWV's legislative educational priorities.
